AIRSHOW LONDON PARTNERSHIP GUIDE SkyDrive 2024

www.airshowlondon.com

We are extremely excited to announce Airshow London 2024 will return as SkyDrive – Canada’s original drive-in airshow – taking place September 13-15, 2024. This innovative approach that welcomed a sold-out crowd in 2020 - 2023, will feature a traditional air show performance plus static display, food, and merchandise vendors. PLUS, this year we celebrate the Royal Canadian Air Force 100th anniversary in style!

Airshow London is a non-profit organization and is committed to raising funds and awareness for Children’s Health Foundation, Veterans’ support charities and aviation scholarships for students.

“With overwhelming feedback and success over the last three years of SkyDrive, we are proud to continue with this innovative air show model for 2024 as we continue to advance our show, building on and adding new features to impress our fans” Jim Graham, Chair, Airshow London.
